

.PLANQ

THE PLANQ FURNITURE COLLECTION IS CREATED TO BRIDGE GAPS BETWEEN CONTEMPORARY DESIGN AND ENVIRONMENTAL PROBLEMS WITH UNUSUAL CREATED SOLUTIONS.

EXPERIENCE

DESIGN

As we all know, the world is changing, as next generation we are there to create high quality porducts with an next-level design. But most of all creating awareness on the environmental problems we have to deal with.

UNUSUAL

"Not your daily pair of jeans you have sit on."

By creating furniture out of textile leftovers and virgin materials we combine contemporary design with a solution for the world of tomorrow.

DEVELOPING NEW

GROUND

The collection is not only a serie of products which are telling an environmentally responsible message; the products itself are part of the solution as well.
